

Beit Issie Shapiro
Changing the lives of people with disabilities
On the Willie & Celia Trump Campus

Beit Issie Shapiro is proud to host a panel discussion,
as part of the Zero Project Conference (#ZeroCon21):

Using Technology to Promote Play & Leisure among People with Disabilities

Thursday
February 11th
2021

7:00AM – 8:00 AM EST
1:00PM – 2:00 PM CET
2:00PM – 3:00 PM IST

Join our expert panel for an inspiring discussion on the incredible potential of technology to promote and enhance participation in play and leisure for children and adults with disabilities. We will hear from the panelists about their experience in developing technologies and solutions, and the importance of promoting this field among professionals, families, developers and decision-makers.

PANELISTS:

● **Noa Nitzan**
